Maintenance: Routine maintenance will keep your tile looking new for years to come. Under normal situations, the tile can be cleaned using clear water with a neutral tile cleaner. Always follow-up with a rinse of clear water.

Fashion Accents™
Wall Tile

What better way to personalize walls and backsplashes than with Fashion Accents. Available in Country, Classics, Provincial, Metallics, Tumbled Stone/Semi-gloss and Romanesque design themes, each includes a variety of tiles in different sizes, shapes and colors that coordinate with and complement other Daltile® products. The addition of these decorative elements can bring visual excitement to any ceramic tile or natural stone application. And because they have the flexibility to be mixed and matched, Fashion Accents are the perfect “finishing touch” for any tile design.
